FUNDRAISING UPDATE

FOR OUR NEW SCOUT COMMUNITY CENTRE

Winter 2024/25

Scouts
43rd Stoke Bishop

Breaking news!

After 10 years of effort we hope to start works on our new Scout Community Centre in early 2025! After recent successful grant applications and huge community support we've now raised over £385,000. We're getting there. Thank you to everyone who has supported us this far. However, we need to raise more!

Buy a brick or something

We are now on the final push for funds. We would love you to take part in our 'buy a brick or something...' campaign and help us to complete this fantastic community build project.

You can buy...

1. A brick: £25 per brick or multiples thereof

2. Something else: eg fittings, a door or a window: £100 upwards

Donors will be invited to our opening ceremony and optionally be listed on our recognition wall.

To donate, please use the QR code on the right or visit www.43rdbristolscouts.org.uk

Total raised to date: £385k

Target: £450k+

Please donate by scanning the QR code

With your help we can build a legacy for our children and the community!

Building a welcoming community space for all to use that is fit for purpose

The new facility will...

...be accessible for **everyone** in the community and include modern, fit-for-purpose facilities.

The new facility will...

...be accessible and become a centre-piece for **our community** which will enable many different types of local groups to meet.

The new facility will...

...last for many generations as the new building will be a **low carbon design** and so be **sustainable** for now and the future.

For our children and our community

Imagine being able to provide the Beavers, Cubs and Scouts with a purpose-built centre that will help them with their development into adulthood.

Imagine being able to provide our community with a space where they can meet, as currently they struggle to do this.

We have planning permission to do all of this and more – and with your help, we can achieve this together.

Please help us complete this community project by buying-a-brick or two. Please scan the QR code.

Registered Charity no. 302159

Thank you for donating

The support we have received by our local community has been amazing. From buying a raffle ticket, to coming along to our plant sale or joining us at our monthly Cubbaccino Café, we really do appreciate it.

As well as the many, many donations and grants received over the years we would like to thank our most recent donors and fundraisers. We really cannot thank you enough.
