

FUNDRAISING UPDATE

Autumn 2025

FOR OUR NEW SCOUT COMMUNITY CENTRE

Look how far we've come...

The dream is becoming a reality
...thanks to YOU!

It's happening! After more than eleven years of planning, fundraising, and the tireless support of our incredible community, our brand-new Scout Community Centre is finally rising from the ground.

Earlier this year we said goodbye to our much-loved old wooden hut and now – from those humble foundations – the walls of our future are going up. By the end of October we hope to have a watertight shell. **What a journey!**

We are so nearly there...! Please help us to open the doors

We're so close but... before we are building control compliant and can open the doors to our Group and the community we still have c£50k of specific and essential items we need to fund and install. These include:

£ kitchen units & appliances, £ vinyl flooring, £ sanitary ware, £ sound insulation, £ solar panels, £ built-in storage cupboards, £ fire retardant paint, £ fibre broadband, £ bin storage with living roof, £ landscaping for accessibility... and much more! Can you help us secure any of these items or help in any way?

How can you help?

1. Make a one-off donation.
